Business South first stop catering + hygiene supplies ltd LOCAL PRODUCE TRADE SHOW

Earlier this year we attended the Business South **Local Produce Trade Show**. First Stop have attended every show since the event began, over a decade ago, and we are actually sponsors for 2024. The best of local food and drink from the South will once again be in the spotlight at the show. The event brings together high-quality local producers with influential catering & hospitality trade buyers. This is a wonderful event and we are really looking forward to 2024's show.

We hosted the **Hampshire Fare networking event** in June at Eastleigh Football Club. Hampshire Fare is a small team making a big difference by championing local produce to consumers and trade businesses. June's event was fantastic- everyone in the First Stop team attended and some great networking connections were made. We had delicious nibbles supplied by Sarah from Bay Leaves Larder, a fellow Hampshire Fare member. The carrot cake was a firm favourite amongst the FS team. Thank you everyone for your support.

The First Stop vans have had a face lift and are looking very smart thanks to Signs & Displays. We updated our social media icons, added our QR code and updated our ISO icons- along with some other tweaks. We are proud to be ISO 9001 and ISO 14001:2015 accredited. Thank you to our finance manager Tina Taylor for all the hard work she puts into ISO.

If you do spot one of the vans out and about be sure to give the drivers a wave.
