

Make us your **first** and only **stop** for hand sanitiser.

***Just 0.60p
per 100ml***

Evans Handsan

- 70% alcohol based hand disinfectant.
- Quick acting and highly effective alcohol based hand sanitiser.
- Passes EN 14476 against all enveloped viruses with 1-minute contact time
- Rapidly evaporates from hands.
- Added moisturiser and glycerine to protect skin.
- Information and safety data sheets available.

**Don't miss out on our SEPTEMBER SPECIAL OFFER.
For a limited time only we are doing a box (2x5 litre) of
Evans Handsan for £60. That's £30 per 5 litre.**

We also have Evans Handsan available in 6x500ml flip top bottles and 12x75ml bottles. Please contact the office for pricing.

Evans Handsan
6x500ml flip top
bottles

Evans Handsan
12x75ml
bottles

Re-use bottles and triggers by re-filling them from a 5 litre container. If we work together we can reduce our impact on the environment and reduce our plastic consumption.

****Offer valid until 30.09.2020****
