**World Hand Hygiene Day 05.05.2026**

Prices  
from  
£2.17 per  
500ml

Hand Hygiene Day is as important as ever in promoting safe healthcare practices. Maintaining clean hands protects both patients and staff, reducing the spread of harmful bacteria.

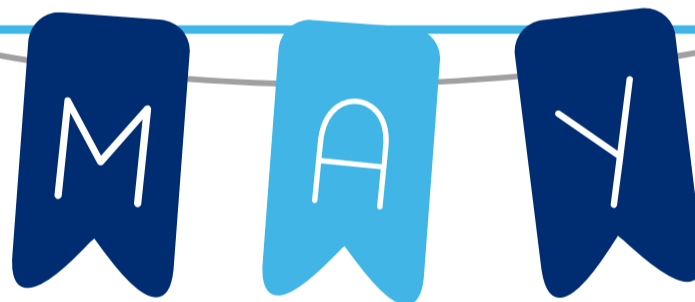

To support these essential practices, Evans new range of soaps is a must-have. Available in 5 litres and 6x500ml pump bottles, and offered in three unique, refreshing fragrances.

Contact the office for a **FREE** sample bottle of your choice.

**WASH YOUR HANDS POSTERS  
AVAILABLE  
#handhygiene**

£4.96  
for mop  
and  
handle

A hardwearing mop made from a blend of bleached cotton and synthetic yarns for strength and absorbency.

The stay-flat band helps it cover more floor area, while looped ends reduce linting and tangling.

It also features an eco-friendly socket with less plastic, compatible with hygiene handles.
