Welcome to the First Stop 2025 Winter Newsletter

We're thrilled to bring you all the exciting updates from the past few months. From fresh initiatives to exciting events, there's plenty happening at First Stop - and we can't wait to share it with you. Thanks for being such an amazing part of our community. Here's to an incredible 2026.

We recently attended the **Hampshire Fair Trade Expo** at Skylark Country Club, which gave us a fantastic opportunity to connect with industry peers and showcase our products and services. The event was thoroughly enjoyable, and we left with valuable new connections and fresh insights. The following week was **The Big Sustainability Expo** for a day packed with innovation, inspiration, and recognition of outstanding sustainability efforts. Information on our 2026 exhibition plans to follow.

Diverse Abilities
Dorset's Disability Charity

Each year, we select a local charity to receive our Christmas donation. For 2025, we are proud to support **Diverse Abilities Langside School** - a visionary school for pupils aged 2 to 19 with profound physical and learning disabilities, as well as complex medical needs. The dedicated team at Langside provides a full sensory and therapeutic approach, helping each pupil reach their full potential, with nursing support available in every class. We're delighted to support such an inspiring and deserving cause this year.

NEW FIRST STOPPER

New First Stopper – Welcome Ernesto.

Ernesto has been with us for over seven months and has already become a wonderful addition to the First Stop team — luckily, he shares our sense of humour. Ernesto is our Business Development Executive- you'll find him out and about developing new business and catching up with our current customers, making sure everyone is happy.

We're always on the lookout for new talent. If you're interested in joining the First Stop team, please email your CV to charlotte@firststopsupplies.co.uk.

Wishing you all a wonderful Christmas and a Happy New Year
