

Coasters & Dispensers

Multi-ply Tissue Coasters

Personalised drinks coasters, primarily manufactured from multi-ply white tissue, with an option of an additional 1-ply wax waterproof barrier on the back.

Tissue coasters can be custom printed with a 1-4 spot colour ink logo to match any Pantone colour.

A selection of coloured tissue is also available as well as various other materials suitable for coasters.

Hot Foil Printed Coaster

Foil printed coasters are a luxurious alternative to ink printed coasters.

A range of standard foil colours include metallic gold and silver plus various other opaque colours - please contact us for details about the colours available.

Plastic Coaster Dispenser

Plastic coaster dispensers are available with a custom print, offering the perfect cost-effective marketing opportunity, whilst keeping your counter tidy and reducing waste.
