

Napkins

2-ply & 3ply White Tissue Napkins

These white tissue napkins are available in three sizes: 25cm cocktail , 33cm lunch & 40cm dinner.

Supplied 1/4 folded as standard, we can also produce the 33cm and 40cm napkins 1/8 folded if required.

The paper napkins can be customised with a 1 to 4 spot colour ink printed logo.

Tissue napkins have a patterned, embossed border which helps to secure the plies of tissue together.

1-ply White Airlaid Napkin

Airlaid paper napkins have a linen-like feel, giving is a luxurious alternative to tissue napkins.

Available in three sizes: 25cm cocktail napkins, 33cm lunch napkins and 40cm dinner napkins- all sizes are supplied 1/4 folded.

We can custom print airlaid napkins with a 1 to 5 spot colour logo or with a blind embossed logo.

Digital Printed Cocktail Napkins

Digitally printed napkins, providing photo real images onto 2-ply white tissue 25cm cocktail napkins.

Four colour process printing enables virtually any image or design to be used.

Accommodating up to 15 designs per pack, each design is packed consecutively in a pack of 250. The ability to print front and back and low minimum order quantities makes this service ideal for showcasing your brand's latest promotion.

Napkins

Hot Foil Printed Napkins

Both Airlaid and Tissue napkins can be used.

Small print runs (only 1000 pieces) and quick turn-round make these products ideal for Weddings and special functions. Either metallic and matt foils can be used to create a vibrant alternative to conventional ink printing.

A wide range of napkin colours can be used and combined with lighter colour foils makes any colour combination possible

3-ply Coloured Tissue Napkins

Our coloured tissue napkins are available in three sizes: 25cm cocktail, 33cm lunch & 40cm dinner - all are supplied 1/4 fold.

Coloured tissue napkins can be printed with a 1 or 2 colour ink logo.

Please note that our dark or deeply coloured napkins can only be printed in metallic gold, silver or black ink as lighter shades of ink will not be visible against the tissue.

For dark coloured napkins with a different coloured logo - please take a look at our Hot Foil Printed Napkins.

Tissue napkins have a patterned, embossed border which helps to secure the plies of tissue together.

Napkin colours available include: Ivory, yellow, apricot, terracotta, orange, burgundy, red, blue, light green, green, brown, black, aubergine and pink.

Napkins
